

2nd Reproducible research workshop

Wednesday, February 6th 2019

Open source science in a new reproducible research era

Time **13.00 - 17.00**
Location **Eawag Kastanienbaum – Seeheim**

Time	Talk	Speaker
13:00-13:15	<i>Open source science in a new reproducible research era (Brief intro)</i>	<i>Carlos Melián (EAWAG)</i>
13:15-14:00	<i>Replicable, Reproducible and Repeatable! Really?</i>	<i>Harald von Waldow (EAWAG)</i>
14:00-14:45	<i>Enabling Reproducible, Repeatable and Reusable (data) science with the Renku platform</i>	<i>Rok Roskar (Swiss Data Science Center)</i>
14:45-15:00	Coffee-break	
15:00-15:45	# ¹	<i>Jean-Claude Walser (Genetic Diversity Center)</i>
15:45-16:00	<i>Easy tips for data management</i>	<i>Rishi De-Kayne (EAWAG)</i>
16:00-17:00	<i>Group discussion: Steps to do reproducible research</i>	All participants

¹ Yes, this is the title!
